

Theatre Major

Major Code: TH26

The Theatre and Dance Department offers a Bachelor of Arts (BA) in Theatre. The major provides a liberal arts curriculum that gives students a solid background in dramatic literature and history of theatrical performances, as well as exposure to the different artistic components of acting, directing, playwriting, stage management and design. Several undergraduate performances are produced each year in our Theatre District, which is shared with the Tony award-winning La Jolla Playhouse.

Incoming Freshman pursuing a Theatre major may submit an optional art portfolio/audition tape to enhance their overall UCSD application. For more information visit:

Transfer students and current UCSD students do not have to submit a separate application or audition tape to be a Theatre major.
